

# OWPB-1513-48-T

## Piezo disc buzzer

Piezo disc. Can be ordered with leaf springs, wires or coil springs

### Characteristics

|                 |                  |
|-----------------|------------------|
| Size (ØxH) [mm] | 15.0x0.2         |
| Type            | Piezo disc       |
| Form factor     | Circular         |
| SPL [dBSPL]     | 0                |
| F0 [Hz]         | 4800             |
| Rated voltage   | 0.0              |
| Vmax            | 30.0             |
| Termination     | Wires or springs |

Specifications are subject to change without prior notice. Upon request Ole Wolff can supply further specifications, simulation parameters etc.

### Mechanical drawing
