

CLIFF

CLIFFCON-P IP65

Cliffcon-P is a range of power plugs and sockets. There are 2 types, Power In and Power Out. Plugs lock into sockets and have a keyway to prevent insertion of the wrong plug. When plug and socket are mated, they are IP65 rated. Gaskets with or without dust caps are also available, sold separately.

WARNING - Do not connect or disconnect when under load or live.

FM12300 - CLIFFCON-P POWER IN SOCKET IP65
