ConCept Bus is excellent for the transmission of highly sensitive signals in heavy-duty connectors.

The ConCept connector system consists of multi-function, compact modules that provide excellent protection from electromagnetic fields, moisture, dust and aggressive mechanical forces.

By combining them with additional modules, you can connect the power supply and additional signals for field devices within a single connector.

General ordering data

Version	Heavy-duty connectors, HDC insert, ConCept module
Order No.	1908510000
Type	HDC CM BUS GCA
GTIN (EAN)	4032248643615
Qty.	50 pc(s).

Creation date December 4, 2023 4:00:19 PM CET

Catalogue status 24.11.2023 / We reserve the right to make technical changes.
