

Single-Gang French-Style Gang Frame, White, TAA

MODEL NUMBER: **N042F-WF1**

French-style gang frame accepts compatible wall-mount insert for terminating premise audio/video, voice or data applications.

Features

French Gang Frame Connects Your In-Wall Audio/Video, Voice or Data Cable Line

This gang frame for mounting or trunking is ideal for terminating your premise wiring applications, including home theater, VoIP phones and Ethernet. The French-style N042F-WF1 protects electrical and network cables to help prevent accidental damage to your application. It's compatible with N042E-WM1-S unloaded shuttered module and N042E-WHM0 blank insert (sold separately).

High-Impact Construction Designed to Blend In Seamlessly with Your Room

This white plastic cover plate measures 80 x 85 millimeters (outer frame) and fits one 45 x 45 millimeter insert module. It helps hide unattractive cabling and blends elegantly into any home or office décor for a sleek, professional installation. The ABS plastic construction meets UL 94V-0 flame-retardant standards for protection against fire and high heat.

TAA-Compliant for GSA Schedule Purchases

The N042F-WF1 is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.

Highlights

- Ideal for home theater, VoIP or Ethernet in-wall wiring installations
- Helps prevent accidental cable damage and hides unattractive wiring
- Compatible with select N042E-Series modules and inserts (sold separately)
- High-impact plastic construction designed to blend in with your home/office décor
- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases
