

Rail D-Sub Backshells

TE Internal #: 1-2308340-9

Shielded, Backshell, Zinc, Straight, 1 Shell Size, 15 / 9 Position,  
Crimp Ferrule Termination, Rail D-Sub Backshells

Connectors > Connector Accessories > Connector Backshells > D-Sub Backshell Size 1

Connector Backshell Product Style: **Shielded**  
Connector Backshell Product Type: **Backshell**  
Primary Product Material: **Zinc**  
Body Orientation: **Straight**  
Compatible With Connector Shell Size: **1**

[All D-Sub Backshell Size 1 \(12\)](#)

Features

Product Type Features

|                                   |               |
|-----------------------------------|---------------|
| Connector Backshell Product Style | Shielded      |
| Connector Backshell Product Type  | Backshell     |
| Sealable                          | No            |
| Termination Device Type           | Crimp Ferrule |

Configuration Features

|                     |       |
|---------------------|-------|
| Number of Positions | 9, 15 |
|---------------------|-------|

Body Features

|                          |      |
|--------------------------|------|
| Primary Product Material | Zinc |
| Cable Exit Angle         | 45 ° |

Mechanical Attachment

|                       |           |
|-----------------------|-----------|
| Mating Retention Type | JackscREW |
| Thread Size           | 4-40 UNC  |

Housing Features

|                                 |          |
|---------------------------------|----------|
| Body Orientation                | Straight |
| Compatible With Connector Shape | D-Shaped |

Usage Conditions

|                             |                           |
|-----------------------------|---------------------------|
| Operating Temperature Range | -40 – 90 °C[-40 – 194 °F] |
|-----------------------------|---------------------------|

Operation/Application

|                                      |   |
|--------------------------------------|---|
| Compatible With Connector Shell Size | 1 |
|--------------------------------------|---|

Industry Standards

|                        |          |
|------------------------|----------|
| UL Flammability Rating | UL 94V-0 |
|------------------------|----------|

| Halogen Content                               | Low Halogen - Br, Cl, F < 900 ppm per homogenous material. Also BFR/CFR/PVC Free                                                                                                                                                                                                                                                                                                                                              |
| Solder Process Capability                     | Not reviewed for solder process capability                                                                                                                                                                                                                                                                                                                                                                                    |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
