TOOL fox automatic stripping device with 5" touch display, electric parameter adjustment, favorite selection using barcode scanner, for conductors and cables up to 10 mm²/8 AWG diameter, supply line with pin connector pattern type B

Product description

TOOL fox automatic stripping device with power cable, pin connector pattern type B

Your advantages

- High efficiency through consistent use of data and smart worker assistance
- Time savings due to short cycle times and electrical parameter adjustment
- A wide range of possible applications due to V-shaped blades with large cross-section range for diverse wire types
- Easy operation with intuitive visualization
