## Xtra Mild Citrus Thinner

#115

*Safe for Classroom Use*

A medium-strength, general-purpose thinner, and extra mild solvent with low-toxicity. Used for brush cleaning, thinning and clean-up of oil-based paints, except Damar products.

- 100% volatile
- Biodegradable/Photodegradable
- Flash point: >142°F / 62°C
- Faint smell of orange peel
- Clear, transparent
- No extensive drying times

Mixable with Eco-House #125 NeutralThin and #915 Natural Orange Terpene Solvent in any ratio.

### Ingredients:

- Isoliphatic hydrocarbons with >0.001% aromatics and food-grade orange terpenes (d-limonene)
